**Letter of Reference: CoolCat Inc. Electronics Recycling**

Jefferson County Solid Waste has partnered with CoolCat Inc. Electronics Recycling. Their services offering free transportation and recycling of the electronic waste that comes to our facility makes our task of keeping the hazardous waste out of our County Landfill very easy and efficient as well compliant with EPA mandates. CoolCat Inc. is a pleasure to work with and continues to meet the needs and desires of Jefferson County Solid Waste, through saving us money and time while providing an excellent service.

Sincerely,

Elizabeth Thorne

Solid Waste Director
